Dear Tracy:

Enclosed you will find a copy of the post-general report. We will be filing an amendment to this report in a couple of weeks due to miscommunication during the data entry phase of preparing this report. Please note that on three occasions attempts were made to obtain employer/occupation information for those individuals missing this required data. We hope to have that information as well when we file the amendment. If you have any questions before the amendment is filed, please contact me at (205) 534-3018.

Sincerely,

Glenn McDaniel
